

**Subject Line:** Get Nursing Reference Center Plus on the go with its new mobile app today!

# Nursing Reference Center™ Plus

**As a nurse your time is a valuable commodity, and the need for quick answers to your clinical questions is paramount.**

With the new *Nursing Reference Center™ Plus* mobile app you can access the most current and comprehensive nursing information in easily digestible formats anywhere you go!

## Seven Quick Steps is All it Takes!

**Step 1:** Download the free EBSCO *Nursing Reference Center Plus* App from the iTunes App Store or Google Play

**Step 2:** Log into the *Nursing Reference Center Plus* interface

**Step 3:** Click on the *Nursing Reference Center Plus* iPhone/iPod Touch Application link at the bottom of the screen and enter your email address

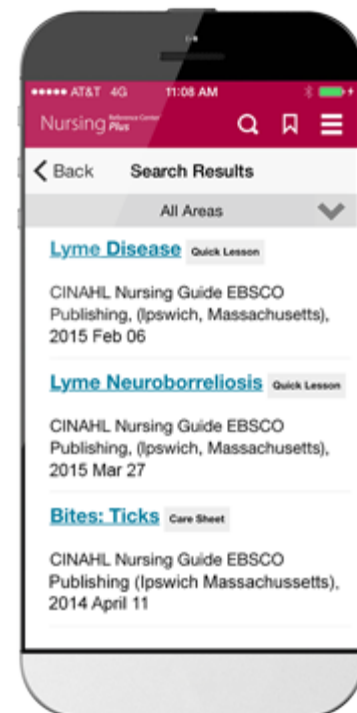

**Step 4:** An authentication key will be emailed to you

**Step 5:** Access the email from your device

**Step 6:** Click on the link in the email to authenticate the app within 24 hours of receipt of email

*Note: after 24 hours, you will need to request a new authentication key.*

**Step 7:** Your device should be ready to go!
